

International Cash Transfers

Vaulted's mission is to deliver a seamless and secure way to own physical gold and silver, regardless of where you do business. We are pleased to inform you about our partnership with **Wise**, a platform that allows you to fund your Vaulted account with any currency. Wise exchanges your currency to USD at the lowest rates, allowing you to transact from your device safely and efficiently. Learn more about Wise [here](#).

Wise Instructions:

1. Visit www.wise.com and open your free account.
2. Under **Account**, click **Open**. Choose your desired currency.
3. Click **Get account details**. Verify your identity. You will be assigned a routing and account number, just like a regular bank account.
4. Click **Add** to add funds to your Wise balance.
5. **Convert** your currency to US dollars. Conversions should be reflected in your account immediately.
6. Link your Wise account directly to Vaulted via Plaid. (Open the Vaulted app, go to the **Funding** tab, click "Link Checking Account," search for Wise.)
7. Transfer cash! Your Wise account functions like a bank account which is securely linked to Vaulted.

Wise also allows **direct cash transfers**. To send a one-off transfer, follow these instructions:

1. Click the green **Send Money** button in the top left corner.
2. **Amount:** Select your currency and enter an amount in the "You send" box. In the "Recipient gets" box, select USD. This will convert your transfer into US dollars.
3. **Recipient:** Select "Business." Enter the following information:
 - a. Recipient Email: vaultpay@mcalvany.com (*please do not skip!*)
 - b. Name of the Business: Vaulted
 - c. Address and Bank Account Wire instructions when prompted (See **International Wire Instructions** below)
4. When reviewing the details of the transfer, add your **full name** or **Vaulted Account Number** in the "Reference for Vaulted" box. To get your Vaulted Account Number, please contact your Vaulted advisor. This step ensures that we direct your funds to the correct Vaulted account!
5. Select the preferred payment method and click **Continue to Payment**.

If you have any questions, please contact your personal advisor or email our customer service team at info@vaulted.com.
