A Wise account is free to set up, and gives you the ability to instantly transact from your phone or computer. Plus, it has the lowest fees, both for currency conversion and making a transfer.

## Instructions:

- 3) Click the green "Send Money" button in the top left corner.
- 4) **Amount:** Select your currency and enter an amount in the "You send" box. In the "Recipient gets" box, select USD. This will convert your preferred transfer amount into U.S. dollars.
