

International Transfers for Vaulted Account Holders

Hello, and thank you for your interest in Vaulted! You can now fund your Vaulted account with **Wise**, an easy borderless account, to be able to send transfers from your currency to USD at the lowest rates. And once setup, this makes it seamless and easy to make transfers on a regular basis. [Learn More about Wise](#)

An account with **Wise** is free, and gives you the ability to transact from your phone or computer, instead of having to go to your bank to send a wire. Plus, it has the lowest fees, both for currency conversion and making a transfer (with a whole host of options!)

Disclosure: Vaulted is a participant in the Wise Affiliate Partner Program which allows partners to earn commission on referrals for using the Wise service. Wise is a third-party solution, so Vaulted does not provide customer service when using their service nor do we ensure the transfer while it is in transit with Wise. To contact Wise, please visit their [Help Centre](#).

Instructions:

- 1) Navigate to www.wise.com
- 2) Open and login to your free Wise account. Explore your currency conversion rate via the price tool provided.
- 3) Verify your account by uploading a photo of your proper ID (or other form of identification requested) and following the instructions. Click the green "Send Money" button in the top left corner.
- 4) *Amount:* Select your currency and enter your investment amount in the "You send" box. In the "Recipient will get exactly" box, select USD. This will convert your preferred transfer amount into US dollars.
- 5) *Recipient:* Click "Business or charity." Enter the following information in the window that appears:
 - Recipient Email Address: vaultpay@mcalvany.com
 - Name of the Business: "Vaulted"
 - Address and Bank Account Wire instructions when prompted (See **International Wire Instructions** below).
- 6) When reviewing the details of the transfer, add the full name listed on your Vaulted account in the "Reference for Vaulted" box.
- 7) Select the preferred payment option and click "Continue to Payment."
- 8) Once payment is complete you will see the transfer amount deposited into your Vaulted cash balance within 2 business days of when the Wise transaction is complete.
- 9) To set up a **cash out** of your Vaulted funds back through Wise, send a quick email to your Advisor with the following information (Your advisor is listed under "My Advisor" in the top right corner when logged into Vaulted):
 - Name on your Vaulted Account (we'll match this up with the email you send this request from)
 - Routing & Account Number of the previously used Wise account for the funds to be transferred (must be the same account as when funds were transferred in, unless proof of account change is provided)
 - Dollar amount you would like to withdraw

Once the transfer is initiated, you will see the transfer deposited into your Wise account within 2 business days.
